Where the number of applications received in response to an advertisement is large and it will not be convenient or possible to interview all the candidates, the University, at its discretion, may restrict the number of candidates to a reasonable limit on the basis of qualifications/experience higher than the minimum prescribed in the advertisement.
14. Candidate must ensure the Advt. No., Post number and post to be applied for, before applying on online application portal.

JNU Advt. No. RC/68/2023

15. Separate online Application Form is required to be filled up for each post to be accessed from JNU website www.jnu.ac.in.
16. (a) **Those already in Government/Autonomous/PSU service should submit scanned copy of the forwarding of application through proper channel, while applying for the posts and those who do not submit the same while applying will be informed in the interview letter, for submission of the same before appearing in the interview.**
(b) **Those who do not forward their application through proper channel will not be entitled for counting of past service/pay protection. The counting of past service/pay protection shall be regulated as per rules in force.**
17. (a) Candidates applying for various faculty positions should go through the essential qualifications and other instructions carefully before applying and also upload scanned copies of all evidences in support of their claims.
(b) Research Score for journals may be claimed on the basis of whether papers are published in refereed journals or other reputed journals as per UGC Regulations 2018.
18. The eligibility of the candidates will be determined on the basis of qualifications/ experience/publications etc. acquired by them upto the last date fixed for receipt of online applications. The crucial date for determining the eligibility on the basis of qualifications/experience/publications etc. shall be reckoned the last date of submission of online application.
19. The University reserves the right to modify/withdraw/cancel any communication made to the candidate(s) at any stage in the process of selection in case any inadvertent mistake is detected even after issue of appointment letter.
20. The University shall verify the antecedents or documents submitted by a candidate at any time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has undesirable/ clandestine antecedents and has suppressed any information, then his/her service shall be terminated.
