Walk-in interview for the post of one Project Associate – II (PA-II) on a purely temporary basis in a time bound research project sponsored by DBT, Government of India, New Delhi.

1. Project Title: Design and development of self-immolative probes for early detection of atherosclerosis via multicomponent reactions (SAN no. 102/IFD/SAN/2484/2023-2024)

2. Position: Project Associate – II (PA-II)

3. Duration: 18 months

4. Fellowship: Rs. 35,000 + HRA (or) Rs. 28,000 + HRA (As per DST guidelines OM-SR/S9/Z-05/2019)

5. Essential Qualifications: M.Sc. Chemistry (minimum 55%) and two years research experience.

6. Desirable Qualifications: Experience in synthetic organic chemistry and chemical biology with basic biochemistry knowledge.

7. Age Limit: 35 years

The interview will be held online/offline (hybrid mode) on **6th May, 2024**. The interested and eligible candidates should apply with a complete bio-data supported by copies of necessary certificates. The candidate's preferred mode of interview should be communicated along with their application to the Principal Investigator (PI), **Prof. G. Vasuki, Professor, Department of Chemistry, Pondicherry University, Puducherry-605014, through e-mail: vasukig@pondiuni.ac.in** on or before **3rd May 2024**. Phone: 9486664962. No TA/DA will be given for attending the interview. Selected candidate should be ready to join the project immediately. The position is purely temporary and co-terminus with the project.
